Sabotaging America

Islam's March Towards Supremacy

Muslim Brotherhood Exposed

- ❖ During a 2004 search
- ❖ Ismael Elbarasse, founder of the Dar Al-Hijrah mosque in Falls Church, Virginia
- ❖ Elbarasse was a member of the Palestine Committee, which the Muslim Brotherhood had created to support Hamas in the United States

Muslim Brotherhood

❖ Page 7 of the Explanatory Memorandum

“ The process of settlement is a ‘Civilization-Jihadist Process’ with all the word means. The Ikhwan [Muslim Brotherhood] must understand that their work in America is a kind of grand jihad in **eliminating and destroying the Western civilization from within and sabotaging its miserable house by their hands and the hands of the believers** so that is is eliminated and Allah’s religion is made victorious over all other religions”

Muslim Brotherhood

❖ Page 7 of the Explanatory Memorandum)

Without this level of understanding, we are not up to this challenge and have not prepared ourselves for Jihad yet. It is a Muslim's destiny to perform Jihad and work wherever he is and wherever he lands until the final hour comes, and there is no escape from that destiny except for those who chose to slack. But, would the slackers and the Mujahedeen be equal.

You'll know when you're living under Sharia Law if suddenly all your loans & credit cards become interest free.

If you are still paying interest than Sharia Law hasn't taken over America.
